Organizers invite prospective authors to submit abstracts. Abstracts should not exceed 300 words in length and should be submitted in English. Please indicate whether you wish to submit an abstract to the conference by submitting an abstract. The abstracts will be evaluated in December 2018, and if accepted, the authors will be informed about the kind of presentation (oral or poster presentation). Please note that bookings for participants with submissions are preliminary and will only become valid and invoiced once your submission is accepted by us. *During the conference a jury will decide upon the **three best posters**, who will be awarded a prize.*

Choose if you want to register with or without abstract submission.

Please submit your abstract here!

Submission will be soon available!
